JOE CHIDLEY reflects on the Quebec City summit

7 LETTERS

More darts for itemus-bashing columnist Jason Kirby

11 INVESTING

- MDA, which helped build the Canadarm2, is growing like a New Economy company—with Old Economy profits
- Belzberg Technologies scores with electronic trading
- Can a homegrown broadcaster dodge gridiron disaster?
- **JASON KIRBY** says the TSE needs some competition. Just don't hold your breath waiting for it to happen

19 TECHNOLOGY

- Coming to a theatre near you: online movie memorabilia
- Computer hardware distributor EMJ has been profitable for 86 consecutive quarters. So why does it get no respect?
- Keep your eye out for iris scanning technology
- **ANDREW WAHL** says EU pussyfooting is hurting Canadian software manufacturers

87 COMMENTARY

- Look out! Small investors are getting the shaft again
- Is investing in Grocery Gateway the healthy choice?
- Environmental self-regulation—does it really work?
- A left-wing anti-business book is the toast of the Street

93 PERKS

Tired of all those mulligans? Maybe custom-made golf clubs are the answer to your prayers

96 MEMO

Gordon Campbell's Liberals are about to free BC from NDP rule. But, asks **PETER VERBURG**, will they deliver?
